

HOUND FOOTAGE

PRODUCTION DESIGN LOOKBOOK

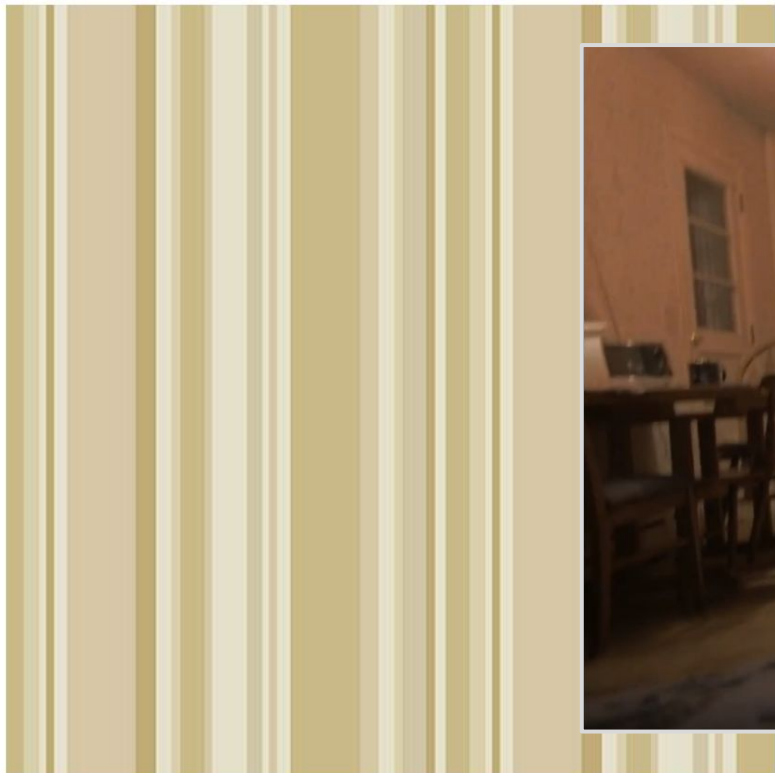

AS A TWIST ON CLASSIC HORROR FILMS, HOUND
FOOTAGE IS AN IMMERSIVE HORROR EXPERIENCE
FROM A DOG'S POINT OF VIEW.

ABOUT THE DESIGN

THIS FILM IS ABSURDIST AND COMEDIC IN NATURE, AND THE DESIGN HAD TO REFLECT THAT WORLD. WE ADDED WALLPAPER AND TEXTURE TO THE WALLS TO CREATE AN ENVIRONMENT THAT FELT UNEASY TO A LAUGHABLE DEGREE. WE CREATED A DISTINCT VISUAL LOOK FOR EACH KILLER, INSPIRED BY THE DESIGNS OF 80'S HORROR FILMS BUT WITH A COMEDIC EDGE. THIS FILM ALSO TAKES PLACE IN 1993, SO THE ART DEPARTMENT HAD TO TRANSFORM A LOCATION TO NOT ONLY BE MORE ABSURDIST BUT TO ALSO BE PERIOD ACCURATE. WE HAD TO REPLACE FIXTURES SUCH AS THE FRIDGE, ADD A LANDLINE TELEPHONE, AND CREATE PIECES, SUCH AS A CUSTOM PATTERNED COMFORTER WE SEWED, TO DRESS THE LOCATION TO FEEL EARLY 90'S. FINALLY, WE HAD TO DESIGN THIS FOR THE POINT-OF-VIEW OF A DOG, INCLUDING THEIR PAW.
